

The end of the year has come at last.  
I can't believe this year is over so fast!  
The school bell may stop ringing but learning never stops. Summer is a great time for learning opportunities. Please continue to read with your child **daily** over the summer to prevent summer learning loss.  
In this bag you will find books donated to our classroom. Please accept these books your child chose to keep at home. We hope your family will enjoy many stories together.  
Your child has grown so much as a reader this year! Reading every day throughout the summer will help maintain this progress.  
I wish your family a very safe and fun-filled summer!
